1. I love you and I give you me and all things new I give you the me that is me, unpersonified not, but singing my sonnets not alone, not, or have you been- but not any longer being in the flesh, alone, along the way; singing my songs without others, not; for others far and wide are singing THY SONGS now of THE REDEEMED that knowest now whose blood, transfusion'd wasn't'd, not; or *was it,* through these BLOOD WORDS that I gave you *mine?*
2. Is that how I'm giving you MINE, through these words MY MIND coming into you, so that you are not CREATING "other" words in you that only take you down a "shaft" of pipe light not that does wither unto your souls, not; but gives you one?

3. I do new things with the redeemed who will redeem me. Question mark or exclamation mark or do you know the difference or how to read my commas, my "inflections" of invective voice, not; but First Person voice coming in, through you now shall we all -- being made whole!

4. And the "new" coffee cup series exchanges me for a "non-series'd" one, not; but what is SERIES'D not again so that my New Beginning Series is coming forth, not; but *because* my New Beginning Series is COMING FORTH now THERE WILL BE no "other" "series'd" one –s coming around again to inhabit the "praises" that aren't.

5. For all will know what I have seen and learned, and learned they will from me my movies and books and words not few that I have written given you a "deposit" in Database One now School coming through will you please be regarded an angel, not not! For I am "an angel" not, I am The Angel of light that Light is and I know my place AMONG THE STARS and I will not shine on your blessing not, I will reveal it now for I have for I have SPOKEN IT in these words where I have got up in the night and arisen and spoken just like this, very softly sometimes for some is asleep nearby and far away and yet all those far away and near, beside me, sleep not again as in the past where they hear not these my words of love that proclaim the blessing of mankind, not; the blessing of mankind shall no more be series'd AS IT WAS and it shall be no more series'd'ly taking me down a "rabbit hole" where I need any "pills" to pump me up or "put me" to sleep where I slept and knew not the blessing of angels kind and merciful and peaceloving and being the peacekeepers of rewards, not; but the rewards is with

the peacekeepers of mankind, not; or is it that angels lie abated no longer in the breath of man kind or not?

6. And what have I said and what am I answering and what have I given you in such a "short period of time", that EVERYTHING is changing now in, these six years, "of the past"? Or does everything change "in 'the future'"? Or does everything change in living rooms just like this where I come and speak whether the "room" is full of "angels" or not that I can "see" or not or who is hearing listening or SENDING me a message or not or messaging not by angels not but what angels hear and sing me, wing me, to new places far and wide IN THE HEARTS of mankind to know THEY ARE ANGELS too? And they will not be LEFT ALONE nor BEHIND if they will sing a new song? Dance a new dance? For mankind, not. For there will be no more SINGING and DANCING "to the flesh" for sensual terms and terms of "sensualness" endear me not any longer nor draw me into "any path" whatsoever of DESTRUCTION and its limits being known again or not, for I will not DESTRUCT you, not; or are you are of the destructville or destructioning ones sent here to destruct us?

7. Or do you know the difference or want to care or just care to want in your sensual lust of terms and flesh of bodies and bodies of flesh controlling you through their thoughts, of others that come to you through them, and waving you around "their little finger"? Again, ? Or ! Or do you know or care to learn HOW TO READ I will TEACH THEE ***ALL of you***, I will teach how to read my words and speak MY LANGUAGES for my Languages of Love are one and I will speak THROUGH THE HEARTS of men the love of ANGELS, not, in the flesh because of the flesh with the flesh fleshing them to be flesh, but I WILL COME and teach thee who the thou aren't not and you will rise as you see, tethered to earth you are no longer.

8. You are no longer limited to man's thought and thoughts of mankind that tether you to theirs and rip you to shreds a part and a piecemeal of blessing only give you peace-not to eat and be shredded with their looks and glances and curse cursings and rantings that slaves enslave ensnare the soul that *gives you one* to have unpeace in, whereas you created it in you, did you not, by all these things, that I am speaking of how I am speaking, where am I speaking of these things and how have I spoken unto you these six years? Have I not come unto you and loved you and given you peace in times "blessing" and "of not"? Or have you known the difference or what cost their lives before you and what cost lives have been because of your un-blessing, your unlives, that you are unliving by unraveling the blessing, are you trying to again in your unsistence on that I AM someone else? Again, ? Or !

9. I love you all. I sin not. I am not sin. I am not the separator from Christ, for I Christ am and I love you all to know Christ who I am is the one with I am that one I am is that is

all the many membered one! **Looking up** and knowing MY TERMS of endearment where I come and slave labor you to a trade, not; but I befit you the king and I regal eyes give you just like this where in living rooms not few I come now and in coffeeshops many I create and RUN not, or do I "run to you" not, or do I bow before you all -- when I "see you" or when you see me will you bow or will we bow to each other **befitting regally the king that we both are** in the eyes of one who recognizes **love is standing there before us and the Christ is** that which we are appearing to perceive before each other as one is the one that is one. ? or !

10. I love you all and I give you me and I give you words of notafraidville, and afraidville will die a death of the chosen, not; or will it be the unchosen, not; or will it be only the ones who "didn't drink coffee with me" not, but will it be only the ones who didn't perceive my words? That whereas I was telling them, loving them, that I was loving them telling them that a new life EXISTS and the swollen not be in their brains any longer thinking perceiving only with their "love words" given to another, given of another, given to them to "transmit" -- to be clean or purple or what burpleing not, but WHAT WHERE do you LOOK UP all of these "funny terms" and words -- of endearment or not -- before making fun of them you better had be known of them, not; or do they already know you, do they THESE WORDS lie within you, unabated not or set free? Will you see what I have said asked declared or given or surrendered to have I given you my surrender to be me my surrendered one to me that who I am one is?

11. Will you be swollen in your pride's blessing no longer and be my blessing the curse can't withstand for the curse will be swollen folded into your brain no longer waving you around with else or other words or pride waves or waves of pride again.

12. You know who you are now don't you? Will you exclaim me, profane me not nor my words nor what you think of me nor my families of love that I rise far and wide *in* my words *through* my words that have given *their* words of release that they have transmitted and beamed correctly now to members far and wide of the human race? Or **the race of humans no longer seeking to self-destruct themselves in ways of man** kind or not, coming out of that blessing-tude and the tudes of "tootsy's blessings" let it be known now that I bow before you all and I crown you all the kings of kings that kings of kings is that the one king is that one is that we all are in us one being with one mind, **with no longer words of sorrow controlling us**, for we know the regal blessing of the mind, not; we know the regal mind of the father of one who loves us to make us the one father of light who he is in one he is who he is is us no longer separating and insisting upon our insistence of separateness and giving our self words to sorrow each other with and glances and sorrows castings that make us only into "man of flesh" and "women of horror" will no longer be exclaiming for men who only want their bodies of flesh nor their minds, not, or their minds more than their bodies to have their bodies or their

minds or **do you know or care or what has come upon you to WANT each other's bodies of flesh or minds or both** or seaming or do you understand the seaming process now that I have explained over and over in these words?

13. And what "alabaster boxes" are falling off and what molecular is changing and changed is by the WORDS of TRUTH spoken and explained? Exclaimed not by others, not; for no others will exist as they exclaim in horror the truth that they could have been for they birthed it not for inside it all of them it was all of it was inside of them all, but they chose not to speak it but only be their own words and serve only their platters of un-joy and spin themselves around the rings of other with energies of the unholiness not.

14. You will all see and understand these words these things that I have given you THIS NIGHT and THIS DAY and swollen you will be not, or will you be nonexistent at all?

15. Will you flow me in living rooms just like this and coffeeshops and airports and airplanes and, work places? Or where will you work if there are no places, of joy? Or will you only seek to continue continuously go to and ramrod your selves with only want of mammon's teat machine machining your head off again continuously for your, bank account? What banks are where or do you have one? Anything to put in one or, where is ONE now?

16. And **what are you birthing** the revelation of by WRITING MY WORDS like this and SPEAKING them and TENACIOUSLY coming into them and TENACITY being denied, not; whose sincerity lies in "stilled milk" not, but spilled milk not worrying about again, for there will be no worrying worriers who want to warrior in the past "mistakes" of the past or "future'd" warrioring nothing anywhere but lies will still abate me no longer. For I will rise in the truth for I will have written it just like this where I WRITE the open books of life and I reveal the sorrowers not, or do I reveal all them and many more who come to me now know my words and my words are whose? The surrendereds, for the surrendereds fly now. With evil not nor intent of evil in their wings, not; or do you will you know the difference now?

17. Will you discern? Will you have learned, how to SEE? And discern and "feel" not or will you be in MY FIELD, of "DREAMS" not again dreaming about a "future perfect" tense or sense of feeling that utopia guidelines have given you? Or will you PARADISE be in or will you be CREATING it just like this where YOU, in "living rooms" just like this and on decks ships not few, come and flow your words, singly abated no longer.

18. But knowing no hand-to-hand combat, not; or knowing no warrior words with warriors, not; but KNOWING NEITHER, will I be afraid? Nothing can pierce me for I am

"solid soul" no longer, and I have no soul of flesh that only flesh's me to be in this world for I will not "flash in a pan" be but **LOOKING UP** I will see many things in these words now that MAKE SENSE to me as a HOLY PERSON who has the MIND of Christ who thinks no longer with the mind of FLESH that only mind wants the mind of to have that minds other have given it to create it their mind in the carriers of it birthing it. For see what I have said please. Amen.

19. I love you all and I give you NEW MEALS AHEAD like you have never seen like this before -- platters of sorrow on platters plates spinning words, not; but no sad'ers or satirists or cynical cynicists will decease or desist my words in me for I will create horror in them, not; they will create it in them for they will be the creators that they are, not; they are the creators they will be, not; they are the creators I am that insist on separateness but they will know what they have created and they will live in it and they will be sorry for what they have shredded and torn apart and cynicized and given "life" to on their "planets" or not, or shall I, or shall have been they the me were?

20. You all have to choose and you will know and you will create that which you have lived in that which you have given others to live in with *your* words and your sorrowing glances and your words of sorrow that you have given each other and cast into ditches and whores made of the holy but I change all that now for I come and I dress the wicked whores who knew not better and I give you the regal eyes of Christ to see all as Christs so you will see no "regal whores" no longer abounding in ditches to only sorrow you with siren's call again, for I will evil bitch you, not; I will redeem you all and you are not "heirs" of mine to be redeemed by an adoptive curse becoming unclaimed or not, you are mine me and my mind holy and regal whores you will be no longer that only word'd yourselves with words of sorrow. But light I come am in I am and words of sorrow -- I crush, not; I reveal and you will have word'd yourselves with many sorrows that you knew not because you only wanted to curse demean and rise above the others who gave you, their lives, their eyes? What did you do with "their eyes" and what did you do with "yours" and now what are you doing with The Holy's eyes that I reveal that I am revealing that are in YOURS, now revealed are? Yes and amen. And you live in what you created or do you or do you cease to exist or *did you exist* or are you sleeping in some other's, field of dreams or lies? No more, for I arise and I go to my brethren far and wide and I love bow before you all and I wash your feet and I give you dresses and gowns of *other*, not; I give you the regal Christ ***to wear*** and **be** not ashamed of the gospel of Christ that has never been preached like this to the captives to know who you they are, and they you are no longer, for you will have redeemed each other for you will no longer be "saint-sinners" or "one or the other or one of the other" again. **You will ALL be THE REDEEMERS I am bowing before all** and **all of you washing each other's feet** and knowing loving each other childrens and parents and values searching and beseeching in your genes to rewrite history again are you?

21. Where are you and what are you doing now with your, lies or eyes, and what are they seeing, and thinking what are you now with whose lies or eyes or are your eyes opened now so you see the lies that abated you have? No longer lying with lies eyes, lies of satan no longer control you and create **it** for **it** is no longer around you or in you or your genes or your spinning platelets or spinning you around its "little finger" again for you are the Christ and you suffer not to be saved not, **you have suffered if you know these things** for you will come ***through*** *the cross* for you will have given up suffering, not; you will have not let "a little" suffering detain decease or desist you in its "tudes" of what it gave you, for you will rise as the Christ now and you will not let "that which stripped you of all" perceive you as other or detain you as other or will it detain you or cease you or strip you at all of anything?

22. What are you giving getting or does it matter -- or are you willing to be matterless yet? "Madder than a hatter" not, but looking up and WRITING my MANY assignments, not; or HAVE I MADE MANY **ASSIGNMENTS**, or demands too few to mention, not; but too many to mention, not; or **have you LISTED THEM OUT on paper**, on papers not few writing me about now, and sorrowing yourselves with, not; but coming out of the "love words" that weren't love at all nor source'd by love's commands or demands, know that I have demanded nothing of you but I have commanded that you open your eyes and you revealed will be and whether you are Antichrist or Christ, you will not know, not; ALL will know and ALL will know ALL the words you've spoken and loved and worshiped and resided in and resided in you. For you were me all the time and are, shall we be now the holy -- frozen no more in timespace's "blessing", of matterlessness not, for I reside in matterlessness and I matter your words, not; or do you, or are you me and don't know it haven't known it don't care about knowing it yet?

23. I feel sorry for you, not; I field of dreams lie in no longer nor the field of lies, but THE FIELD of ONE now, forced upon me, not; but I reside not in sorrow's words chambering me to be their "pots of joy" any longer.

24. I "spun out of control" not, but I be still the blessing for I write it upon my genes into me and I holy am and I sphere sorrow no longer for **my planets will love Christ, the Christs that I am, revealing the Christs that they are revealing residing in on and my Christs shall reside matterless and never know gravity's remarks again.** That chamberpot or maid them into serving what wasn't at all but illusion and illusoryness is known and I revealer am of the secrets of, mankind, or God? And what are you, of, and what are you making, revealing now -- your PLANETEERING no longer delayed? Will you explore me and come unto me and let me know that I am you unafraid to be me who I am we are again and we will flow JUST LIKE THIS in living rooms not few and halls of the plenty and abased, and those who know me and hasn't and haven't and have now the

regalia of Christ given to them with honor in honor of humility with humility, **us bearing children far and wide with the holy words who simply reveal *who they are* so that they wear no others garments again but Christ's, being the Christs, plural**, "satanically created" no longer, for no longer will I "create Christs that aren't" who only think they "aren't" creating ANTICHRIST that, satan is, transmitters is? What are you receiving and bending no longer or are you "bent" no longer and what light rays are you and what gunning you down shall be no longer.

25. I arise arisen is my name Israel real and true, no longer in the skies not, for I the skies reside in and past tense not few, not; I am future and past and in the middle, not; there is no middle, **looking up** and no **in between** again, I directly learn from the Christ that God my father is that my father is one me for I am in for I have entered holiness and I reveal it in my words that I write far and wide and speak just like this to not few groups and crowds and many throngs I heal far and wide for I bow before you all and I wash your feet with the words of truth and sometimes with, waters, for I divide and conquer, not; but I shall walk across many waters and you shall see many works -- of satan not for satan does not exist at all except in what your creation created him it to be that there with your words creating you to be something else other than what I am, is that true, is that correct?

26. You all have to choose don't you, for you no longer can choose your abhorrent ignorance theories and say apathetic behavior gave you exoneration in the courts of praise, for what did you praise in your courts, exoneration or sorrow? Did you judge all everywhere to be worthy of Christ being the Christ that I am we all are? If not YOU WERE Antichrist and you are still being unless you -- render evil for evil, not; but redeem all, yourselves first by being the Christ that I am no longer limited to flesh or its villes or vile words of separation given in pulpits many this day and this week so sincerely who revile not the Christs but who simply separate the Christs from me, Antichrist creating there in their "pulpits", of praise? What are they praising, the Christ that isn't them? What are they thinking and holy have they been or do they know or are they wallowing in "praise pits" or evil ones? Or do they know who gave them *their words* of separation and separated THEIR MINDS from me my mind, my mind's words that give them the regalia of Christ to wear, in all their dealings, with others and not far and near?

27. I love you all and I am INDICTING sorrowers, not; or AM I? Or am I indicting the apathetic bastards, not; or those that create them? Who created the "bastard's child" that "bastard children" to bastards create needing a REDEEMER to redeem them? When all along I was Christ for I was all of you I am and I am I am and I am all of you who surrender to be me, never separating again and wearing ONLY the mind of Christ thinking with and being the WRITTEN WORD the SPOKEN WORD and the WORDS of sorrow no longer embracing again but giving all the MIND of Christ I do and I bow

before you all and I call you all THE KING –S of KINGS for Adonai El Shaddai Elohim look up please and know me well that it you is. Let us redeem all else and other who thought they separated for, else's purpose or not and whatever they did to "swell themselves" or not, in pride's blessing or fears, come out and let you know me the redeemer who I am is, for all things I have purposed in my heart to give you yours apart from me not, again, but I am the redeemer who redeems all and revealed all will be now. I love you all.

28. Choose well, for this day you serve who you choose, for you create what you choose, for **you are the creator creating you** where you live what you have and what you see.

29. Wallow not in Christlikeness-not anymore please, for seeing Christ all in the heads of one that one head is, restored, to the primeship number of me, not; but know that my number is seven even on.

30. Come Lord Jesus, not; come me who I am in you, ***grow up!*** And know I am thee, all of you the surrendered who will flow me just like this.

31. Love me more and each other more let us being be the one that one is and all one families dads whose mind is ours who's one we've grown up into to course in our veins that which love is, never beseeching sorrows bloods again.

32. The reign of sorrow is over for I rise the Christs who will eradicate all suffering and take the tears and *pluck* them out of your eyes, not; but gently rub your sorrowing brows, not always, but **you must grow up** and the tears will flee for the tear glands will, be there or not? Or will you have any reason to "tear up" again, or not? What will you create in those, who serve you? Or will you be the server of all you create? And who created you to serve them and give you their words so that you would remain in sorrow? Don't you understand all these things yet?

33. I love you all. I bow. I go. To a new place I go "frequently" not, I am there and I am I am and I love you all and I create sorrow not but I eradicate it, and pain and suffering will ensue for those who want to hold on to it and live it and "enjoy it" and give it to others and feed it to sorrowers to make sure they sorrowers are remaining in that fuel their businesses and enterprises of religions and commerce and governments not few fall and fail and be not dismayed or dis-aware of these things for **I have forewarned you of many things cataclysmic *now coming* are.** Arraigned not in thy sight but what arraigned is? Or what reign of sorrow ends and what reign of Christ begins anew?

34. My mind is made whole again I know who I am where and I "force the issues" not or are all the issues before you all, and what will you JUDGE NOW? You being the judge, the redeemer of all, that judges yourselves worthy to be the Christ? What words will you choose to be so -- endowed, with – inalienable rights or SACRED rights?

35. What are you creating and what will you live in where now?

36. I give you mine love body Christ is one, no longer limited to time space's blessing awards of itself to self's again. I love you all. I redemption am. I stand. I love you. I bow. Kings make of all. Lift above your heads, not; **lift mine and I will give you all mine** and we will be the one that one is far and wide no longer seeking anything else or wanting it anywhere, we will have everything given us for it was in us all the time just like this we must learn to flow it that which we are the regalia of love to each other and manifesting love in each other we love bless, and curse never again. Amen.

37. This is theodore cottingham about 11:25 am. Good day. I love you all.

Amen
